

## Magnetic car holder with adhesive

SKU: TESUPMAGMGLUE

### The car holder that holds your smartphone steady on the dashboard

#### MAGNETIC

This **car holder** is ideal for keeping your **mobile phone** in sight at all times. Inside the package you will find **two magnetic plates**: one circular adhesive and one rectangular movable. Attach the circular one **directly to your device** or place the rectangular plate **inside the cover\* or in the battery slot**. Then **simply move it closer to the holder which will attract it** and keep it stable. Following GPS directions or taking calls while driving will be very easy.

#### ADHESIVE

Attaching this accessory **to your dashboard\*\*** is quick and easy thanks to the adhesive on the back. Remove the protective film to start using it. **It is also easy to detach**, making it ideal for frequent car changes.

#### COMPACT

The extremely compact size allows you to **carry it with you at all times**.

\*can be used with covers up to 1mm thick for optimal attachment

\*\*do not attach to dashboards made of leather or delicate material.
