Magnetic car holder for dashboard and windscreen compatible with MagSafe

SKU: TESUPMAGRINGEXT

This telescopic mobile phone holder allows you to bring your smartphone closer to you for optimal viewing

WHAT THE MAGNETIC WINDSCREEN AND DASHBOARD PHONE HOLDER IS FOR

This **telescopic car holder** attaches to your windscreen or dashboard as required. You can bring your smartphone closer to better view the display thanks to the **extendable arm**. Thanks to the **magnet**, you can easily attach your device to the mobile phone holder.

THIS CAR HOLDER ALLOWS YOU TO GET THE BEST VIEW OF YOUR SMARTPHONE DISPLAY

The mobile phone holder has a **suction cup** for attachment to your dashboard or windscreen: you can remove it if necessary using the small lever. The joint allows you to position your mobile phone **vertically or horizontally** to view the display as you prefer. This support is telescopic: it has an arm that extends up to **20.5cm**. This allows you to bring your smartphone even closer to you.

ATTACH YOUR MOBILE PHONE TO THE MAGNETIC MOUNT

You can attach your smartphone to the magnetic holder using the **circular metal plate** included. The mobile phone holder is also **compatible with all iPhones equipped with MagSafe charging**. You can remove it with one hand, without taking the other hand off the steering wheel.

KEY FEATURES:

- Compatibile with MagSafe Magnet to attach your mobile phone, plate included in the package
- Dashboard or windscreen mounting by suction cup Joint for 360° smartphone rotation
- Telescopic arm that extends up to 20.5cm
