Magnetic car smartphone holder

SKU: TESUPMAGXLCLIP

The magnetic holder that fixes your smartphone to the air vent quickly and easily

EXCELLENT STABILITY

The **magnetic car holder** allows you to keep your **smartphone at your fingertips,** even while travelling. The **rectangular** magnetic surface is **very large** and provides maximum stability for your Apple, Samsung, Huawei, Xiaomi, Oppo or other brands of mobile phone.

The **butterfly clip closure** allows the holder to be firmly attached **to vents of different sizes.**

The **exclusive SBS design** makes this accessory unique and priceless.

MAGNETIC

The package contains **two magnetic plates** required to attach your phone to the accessory.

If you want to attach it directly, use the **circular adhesive plate.** If your device has a cover, case* or battery slot, simply place the **rectangular plate** inside it.

EASILY ADJUSTABLE

The magnetic surface allows you to position your **smartphone vertically or horizontally** as required.

You can also **tilt it as required:** unlocking through **facial recognition** will work even while driving. Distractions will be kept to a minimum.

*can be used with covers up to 1mm thick for optimal fixing
