

Magsafe-compatible car holder for smartphones

SKU: TESUPPMAG15WVENT

The mobile phone holder with wireless charging also ideal for circular air vents

Attaches to the car's air vent

This **wireless car holder** is equipped with a special **extending clip** that allows it to be attached easily to **any air vents**, even **circular ones**. It keeps your Apple, Samsung, Xiaomi, Huawei, Oppo and other brand of smartphone completely stable whilst you drive.

For Android and iPhone

The telephone **attaches** to the holder **magnetically**. If you have a **MagSafe iPhone**, you need only bring it close to the surface. If you have an **Android smartphone**, such as Samsung, Huawei, Xiaomi, Oppo, you can use the **magnetic ring included** by attaching it to the phone's case or inserting it inside its cover. Position the phone **vertically** or **horizontally**, using one hand,

With fast and safe wireless charging

Connect the holder to a charger or to your car's USB port via the **USB-A - USB-C cable included**: the magnetic surface will deliver **15 watts** of power, quickly charging your smartphone. The **Automatic Detection System (ADS)** technology regulates the power transmitted, providing safe and efficient charging even for phones requiring less power.

Tiltable

The joint is adjustable, meaning the smartphone can be tilted at will.

Key features:

- It can be attached to any air vent, including circular ones
- universal for Android and Apple smartphones
- the phone docks magnetically
- 15 Watt wireless charging
- Automatic Detection System (ADS) technology: safe charging
- tiltable

Contents include:

- 1 USB-A - USB-C charging cable

- 1 magnetic ring
