Anti-theft phone lanyard with 90 cm extendable steel cable, safety carabiner and universal patch

SKU: TESUPPSAFETY

Practical protection against theft and loss for your smartphone

IDEAL FOR COMMUTING, TRAVEL AND OUTDOOR ACTIVITIES

The **anti-theft phone lanyard** helps keep your smartphone safe while travelling and during outdoor activities. The system combines a **universal patch**, an extendable cable and a carabiner, allowing you to easily secure your phone to a backpack, bag or other attachment point. It is a practical solution to reduce the risk of **theft or loss** when using your phone frequently away from home.

EXTENDABLE STEEL CABLE WITH CUT-RESISTANT DESIGN

The **extendable steel cable** reaches a maximum length of **90 cm**, giving you plenty of freedom to use your smartphone while keeping it securely attached via the carabiner. Its **cut-resistant design** provides an additional level of protection, making the lanyard ideal for everyday commuting, public transport and crowded environments.

ULTRA-STRONG CARABINER

The **reinforced carabiner** allows you to securely attach the system to backpacks, bags and other supports. Its stable fastening makes it suitable even for more active situations and outdoor activities, such as mountain walks or challenging hikes, helping reduce the risk of accidentally dropping your smartphone.

UNIVERSAL SMARTPHONE PATCH

The **universal smartphone patch** makes the lanyard suitable for a wide range of phones, offering a versatile solution for keeping your device close at hand and easily accessible during everyday activities or outdoor adventures.
