

10W Car Holder

SKU: TESUPPWINDWIR10W

Wireless dashboard/windscreen charging mount

SIMPLE

This **car phone holder** is ideal for all smartphones up to 6.5": thanks to its **suction cup** attachment you can place it on either the dashboard or windscreen according to your needs. Easy to detach: press the small tab for instant release.

HANDY

The **360° rotation** and swivel joint enables you to optimise the display view for whatever you need. The mount securely holds a smartphone using two adjustable side clips.

INNOVATIVE

The holder lets you charge your smartphone quickly and wirelessly. This accessory uses the **Qi standard** allowing for wireless power transfer. Check if your mobile phone is compatible with this system.

QUICK

Use the **cable included** to connect the mount to your car's power socket or a Quick Charge car charger. Once placed between the clamps, your device's charge will reach **50%** in just 30mins thanks to the holder's 10W power.
