

Desktop holder compatible with Magsafe

SKU: TESUPSUCTIONMAG

Foldable and equipped with a suction cup to fix it to multiple surfaces

COMPATIBLE WITH MAGSAFE AND MAGNETIC COVER

The Mag Lock holder is **perfectly compatible with iPhones equipped with MagSafe**, but also with **Samsung and other smartphones** thanks to the metal plate included in the pack. Simply put your phone on the holder and the magnet locks the device in place. Great for **video calls or creating social content**.

SUCTION CUP ATTACHMENT

Equipped with a **suction cup system with lock**, holds securely on desks, tables, glass tops and smooth surfaces. The Lock & Unlock mechanism ensures **a stable and secure grip even on the move**. Furthermore, the pack includes an adhesive base that allows you to fix the holder even on less smooth surfaces, replacing the suction cup base.

180° ADJUSTABLE AND FOLDABLE DESIGN

The arm is adjustable up to **180°** and allows you to find the perfect angle for every use, from vertical viewing to horizontal shooting. Also, **folds completely onto itself** and only measures **35 mm in height** when closed.
