

Universal car holder for smartphone up to 5,5"

SKU: TESUPUNIONETOUCH

Universal car holder for smartphone with suction cap for dashboard and windshield, with one touch button to lock the device

New car holder SBS is very comfortable and differs from others on the market for two main reasons; the first is the ability to be applied both on the windshield or the dashboard, and the second is a button that is pressed automatically when leaning the smartphone to the support and that allows a secure fixing of the device but it is especially possible to hook the smartphone using only one hand. The design is simple and intuitive and is ideal for smartphones up to 5,5 inches.

Features:

- Suction cup for windshield and dashboard
- For smartphone up to 5,5 inches
- System One touch
- Rotate 360 degrees
