

Charger with USB-C port, 30W power, and UK plug

SKU: TETR1CPD30WUK

For all your devices

UK Plug: Suitable for all countries with this socket

This charger comes with a UK plug, suitable for charging in countries like England, Scotland, Northern Ireland, Ireland, Wales, and many others.

USB-C with Power Delivery (PD) 30W

The USB-C port supports Power Delivery (PD) technology up to 30W. This charging standard allows a greater amount of power to be delivered quickly. The benefits of Power Delivery charging include:

Faster charging: With up to 30W output, you can quickly charge compatible devices like smartphones and tablets. For example, a smartphone can be fully charged in just 30 minutes.

Device safety: The PD adapter enables communication between the charger and the device, automatically adjusting the power output based on the device's needs, optimizing the charging process, and preventing overheating.

Universal compatibility

It is compatible with a wide range of devices such as **TWS earphones, e-Readers, speakers, and smartwatches.**

Charging times

The 30W charger is designed to be highly efficient, providing fast charging times for different types of devices:

Smartphone: Fully charged in 30 minutes, thanks to the high-power output via the USB-C port with PD.

Tablet: Fully charged in 60 minutes, utilizing the optimized output of the charger.

This wall charger is an excellent choice for those looking for a versatile, powerful, and smart charging solution that meets the needs of a wide range of electronic devices.

Key features:

- 1 USB-C port with 30W Power Delivery technology
- Charge a smartphone in 30 minutes and a tablet in 60 minutes
- UK plug
