# Power Zero 65W USB-C PD GaN Wall Charger with Automatic Charging Stop and Low Standby Power Consumption

SKU: TETR1CPD65ZS

## Smart charging, reduced consumption and protected battery

### INTELLIGENT 65W USB-C PD CHARGING FOR EVERY DAY

The **Power Zero 65W wall charger** offers powerful and versatile charging through the **USB-C port with Power Delivery technology**. It is designed to power laptops, smartphones, smartwatches, earphones, and other devices, simplifying daily charging with a single compact charger.

### ZERO CONSUMPTION TECHNOLOGY: TO REDUCE ENERGY WASTE

Intelligent energy management puts charging on **standby when no device is connected**, helping to reduce unnecessary consumption even when the charger remains plugged into the socket. Power Zero technology thus combines **Energy Saving** and low standby consumption for more efficient energy use.

### AUTOMATIC STOP AND GaN TECHNOLOGY IN A COMPACT FORM

The **Automatic Stop Charging** function intelligently stops charging when the preset battery level is reached, helping to reduce unnecessary battery stress and preserve its performance over time. The **gallium nitride (GaN) technology** also allows high performance in a compact size: the charger measures approximately **35.4 mm wide and 58 mm high**, making it practical to use at home, in the office, and while travelling.

### WHAT SETS IT APART

- 65W USB-C Power Delivery
- Compact GaN technology
- Zero standby consumption
- Intelligent automatic stop
- Everyday energy saving

### WHAT'S IN THE BOX

- 1 wall charger

Power Zero 65W USB-C PD GaN Wall Charger with Automatic Charging Stop and Low Standby Power Consumption
SKU: TETR1CPD65ZS

# Technical data

EAN: 8018417552427
SKU: TETR1CPD65ZS
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Net Depth: 3.6000 cm
Input: 100-240V A.C. 50/60 Hz 1,2A
Net Width: 3.6000 cm
Net Height: 9 cm
Output: 5V D.C. 3A / 9V D.C. 3A /12V D.C. 3A/15V D.C. 3A /20V D.C. 3,25A (PD 65W)
Weight: 1000 g
: 85044060
Connector: 1xUSB-C
Plug type: EU
Output power: 65W
Charging type: Power Delivery 65W
Input voltage: 100-240 Vac - 50/60Hz
Maximum output power: 65 W
