10 Watt USB travel charger

SKU: TETR1USB2AWFAST

Travel charger with EU plug and 1 USB 2.1A socket

This ***10 Watt travel charger*** is the ideal product for those people who are always on the move and want an accessory at hand whenever they need to charge their smartphone.
Simply insert the **EU plug** of this power supply into a power outlet and insert the USB connector into the appropriate socket of the charger.
The 2.1A USB output is universal for all models of iPhone, Samsung, Nokia, Asus, LG, Sony, Motorola and for many others.

The **Intelligent Charge** technology allows this portable charger to automatically recognize the maximum absorbable charging level of your device and adjust it accordingly.
In this way, you will get the maximum recharge in the shortest possible time: in fact, in just 30 minutes, the charge level of your device will already be at **50%**.

This travel adapter is the **perfect accompaniment** to your adventures. Choose to never put up with a flat battery.

Features:

- Maximum current: 2.1A
- EU socket
- 1 USB output
- Charge level after 30 minutes: 50% *

* Times are approximate and will depend on the device being recharged.
