Soft silicone earplugs to reduce ambient noise, with case

SKU: TETRAVEARNOISE

Reduce background noise and regain comfort during travel and relaxation moments.

NOISE REDUCTION EARPLUGS TO DIMINISH AMBIENT NOISE DURING TRAVEL

The **noise reduction earplugs from the Go First Collection** are designed to soften environmental sounds and provide you with a greater sense of calm while travelling. Ideal for **airplane, train, and bus journeys**, they help reduce background noise, making moments of rest and relaxation more enjoyable. Their discreet design allows for easy wear even in crowded places, enabling you to enjoy a break from daily noise without sacrificing convenience.

NOISE REDUCTION AND COMFORT THANKS TO SOFT SILICONE

Made from **soft silicone**, these earplugs gently fit into the ears to ensure a comfortable and secure fit. Their structure helps to **filter ambient sounds and reduce background noise**, offering a more relaxing experience during travel or breaks. The outer ring shape makes them easy to grip and remove, while the compact design makes them practical to use whenever you want more peace and quiet.

COMPACT CASE TO ALWAYS CARRY YOUR NOISE REDUCTION EARPLUGS WITH YOU

The **Noise Reduction Pods** come with a **compact noise-proof case** that allows you to store and carry them conveniently. You can keep them in your backpack, bag, or hand luggage to have them on hand during trips, transfers, and moments of relaxation. The black colour and minimalist design make these **silicone earplugs** a discreet and versatile accessory, perfect for anyone looking to reduce ambient noise in everyday life.
