

Fast-charging USB - Type-C travel charger

SKU: TETRAVUSBTC2AFAST

Travel charger with USB and Type-C 2.1A outputs, Intelligent Charge and European plug

Move around freely. This **travel charger with European wall plug** has two USB and Type-C outputs that enable you to power two devices, with different connectors, at the same time.

It is an accessory designed for all those who have **Type-C power cables as well**. In fact, this wall charger has a port that is suitable for this type of connector.

The **USB port of 2.1A** is characterized by **Intelligent Charge** technology. This innovative system enables the charger to automatically recognize the maximum charge your device can absorb, regulate it accordingly and provide fast charging! In fact, in just 30 minutes, your device's charge level will already be at **50%**.

Two ports: this double option charger can help you **with those little daily necessities**.

Features:

- Maximum current: 2.1A
- 1 2.1A USB output
- 2.1A Type-C output
- European plug
- Intelligent Charge
- Device charge level after 30 minutes with Intelligent Charge: 50% *

* the charging times are approximate and depend on the device being recharged.
