Digital luggage scale weighing up to 50 kg with LCD display, tare function, and attachment strap

SKU: TETRAVWEIGHTDIG

Check the weight of your luggage before you leave to avoid extra costs at the airport.

DIGITAL LUGGAGE SCALE WEIGHS UP TO 50 KG FOR TRAVELLING WITHOUT SURPRISES

The **digital luggage scale from the Go First Collection** is the ideal accessory to check the weight of your baggage before every departure. With a **maximum capacity of 50 kg**, it easily weighs suitcases, trolleys, and travel bags, helping you comply with airline weight limits and avoid any additional airport charges. Simply attach the strap to your luggage, lift it, and read the result on the **digital LCD display**. A practical solution to prepare your luggage with greater peace of mind, both on the outbound and return journeys.

ACCURATE MEASUREMENT WITH TARE FUNCTION AND FOUR WEIGHT UNITS

The **electronic luggage scale** allows you to view the weight using four different units of measurement: **kg, lb, oz, and g**. This versatility makes it easy to check the weight even when airlines specify limits in different units. The **tare function** lets you reset the displayed weight to zero, facilitating measurements in various situations. The LCD display provides an immediate reading of the result, making baggage checks simple and intuitive.

COMPACT 14 CM DESIGN WITH DURABLE STRAP AND REPLACEABLE BATTERY

Thanks to its **length of only 14 cm**, the portable scale takes up little space and can be easily stored in your suitcase or backpack. The **nylon strap with fastening hook** allows you to attach the luggage and lift it for weighing. Made of **plastic and iron**, it is designed to accompany you on your travels. The **integrated and replaceable CR2032 battery** lets you use the scale without a power connection, making it practical even on the move.

WHAT SETS IT APART

- Portable digital luggage scale
- Maximum capacity of 50 kg
- Easy-to-read LCD display
- Four units of measurement: kg, lb, oz, g
- Tare function for practical measurements
- Replaceable CR2032 battery
