Hybrid Powerbank with 5000mAh capacity, PD 20W, and built-in socket

SKU: TETRBB5000PD20

The perfect 2-in-1 charger and power bank for every trip

CHARGER AND POWERBANK IN A SINGLE DEVICE

Imagine you are going on a trip, and you want to take with you not only a **wall charger** but also a **power bank**. With the **Powerbank Hybrid 5000mAh**, you no longer have to carry both. Thanks to the **built-in plug**, you can connect it directly to the power supply to charge your smartphone, just like a regular charger. When you're out and about it becomes a **compact power bank** ready to charge your favourite devices.

COMPACT AND PRACTICAL THANKS TO THE FOLDING PLUG

With its **90° foldable plug**, you can minimise space when using it as a portable battery, making it the same size as standard power banks without a plug. Its compact size makes it easy to slip into your pocket or backpack.

BUILT-IN USB-C CABLE

With **Powerbank Hybrid**, you don't even have to remember to bring a cable to charge your device. This **power bank** is equipped with a **built-in USB-C cable with 20W Power Delivery**, perfect for fast charging of **iPhones, Android smartphones, tablets and other compatible devices**. This cable is always ready for use, without the risk of getting lost.

SMART CHARGING: READY TO USE AT ALL TIMES

Plug it in and forget about it: the **Hybrid Power Bank** first charges your smartphone and then **recharges automatically**, so you're charged and ready when you need it. The **LCD display** always shows you how much energy you have left, avoiding unpleasant surprises.

KEY FEATURES:

- **Powerbank** with built-in plug
- Foldable plug for maximum convenience
- Dual function: charger + power bank
- Built-in USB-C cable
- 20W PD for fast charging
- LCD display showing remaining battery power

INCLUDES

- 1 instruction manual

Hybrid Powerbank with 5000mAh capacity, PD 20W, and built-in socket
SKU: TETRBB5000PD20
