

Universal selfie stick with built-in LED light and tripod

SKU: TETRIPOLED

Take pictures easily, stably and always with the right lighting

TAKING PHOTOS IS EASY AND INTUITIVE WITH THE EXTENDABLE ROD

The **selfie stick with LED light** is the ideal accessory to easily and conveniently capture the best moments from your travels, trips and events. It is perfect for taking panoramic selfies thanks to the **rod which extends up to 67cm**.

Insert a **smartphone from Samsung, Apple, Huawei, Xiaomi, Oppo or other brand** with dimensions **up to 6.7"** into the **mount** using the **adjustable vices** and pair it with the **built-in wireless remote control**: your photos and videos will be created **wirelessly**. The mount is **360° adjustable**, so you can also position the mobile vertically.

IT CAN ALSO BE A TRIPOD THANKS TO THE ADJUSTABLE FEET

By opening the feet on the handle, this selfie stick **turns into a tripod**. Remove the **wireless remote control** from the stick to take pictures **from up to 6 metres away** with total stability.

THE LED HAS 3 ADJUSTABLE MODES

There is a built-in **LED** on the smartphone mount that will perfectly illuminate your every creation. It has **3 adjustable modes** to adapt to even the most difficult light conditions.

When out of charge, connect it to a power source with a USB - Micro-USB cable to power it up.

STORE IT IN THE PRACTICAL CASE AND TAKE IT ANYWHERE

This **selfie stick** is easy to carry due to its **compact size** and can be conveniently stored in a backpack or handbag. The practical **case included in the package** protects it from minor bumps and scratches.
