45W GaN Power Delivery wall charger kit with 1.5m USB-C cable

SKU: TETRKITGAN1A1C45W

Compact, powerful and smart, perfect for the everyday charging of all your devices

FAST AND EFFICIENT CHARGING UP TO 45W

The kit includes a 45W wall charger and a 1.5 m USB-C cable. The **wall charger** is designed to provide **fast and reliable charging** for smartphones, tablets and other compatible devices. Thanks to the **Power Delivery technology integrated into the USB-C port**, power is delivered optimally according to the connected device, reducing waiting times and improving efficiency during everyday use, whether at home or in the office.

GAN AND PPS TECHNOLOGY FOR OPTIMISED PERFORMANCE

GaN (gallium nitride) semiconductors allow this charger to have compact dimensions and offer greater energy efficiency compared to traditional chargers, while also reducing the risk of overheating thanks to their higher heat resistance. **Programmable Power Supply (PPS)** technology makes it possible to dynamically adjust voltage and current, adapting to the needs of the device connected to the USB-C port. This results in **safer, more stable and more tailored charging**, which is also ideal for more sensitive devices.

USB-C CABLE INCLUDED AND MAXIMUM VERSATILITY

Inside the package you will find a **1.5-metre USB-C cable**, perfect for ensuring freedom of use in any situation. The **45W USB-C and 36W USB-A ports** allow you to power different devices with a single accessory, even at the same time: charge your laptop, tablet or smartphone through the USB-C port and connect a second device such as wireless earbuds or a smartwatch to the USB-A port. In addition, the **compact design (53x35.4 mm)** makes this charger easy to carry and ideal for travel or daily commuting.

WHAT MAKES IT STAND OUT

- Charger with 45W USB-C port and 36W USB-A port
- GaN semiconductors: compact size, greater efficiency and heat resistance
- Power Delivery and PPS technology: smart charging tailored to your device
- Charge two devices at the same time
- 1.5 m USB-C cable included

WHAT'S IN THE BOX

- 1 wall charger
- 1 cable

45W GaN Power Delivery wall charger kit with 1.5m USB-C cable

Technical data

EAN: 8018417535048
SKU: TETRKITGAN1A1C45W
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Color: white
Net Depth: 8.5000 cm
Input: 100-240V A.C. 50/60 Hz 1,2A
Net Width: 3.5000 cm
Net Height: 3.5000 cm
Output: 5V D.C. 3A/9V D.C. 3A/12V D.C. 3A (AFC 36W),
Weight: 145 g
: 85044060
Connector: 1xUSB-A, 1xUSB-C
Plug type: EU
Technology: Adaptive Fast Charge, GaN, Power Delivery (PD), Programmable Power Supply
Output power: 45W
Charging type: Power Delivery
Input voltage: 100 - 240 Vac / 50-60 Hz
Maximum output power: 45 W
