

30W USB-C Power Delivery Charger Kit with 1.5 m USB-C Cable and Braided Fabric Covering

SKU: TETRKITGAN1C30MINI

Compact power for everyday charging with greater freedom

MICRO-SIZED POWER FOR SMARTPHONES, TABLETS AND MACBOOK

This **charging kit** combines a **compact 30W wall charger** and a **braided USB-C cable** in one practical solution. It is designed to charge iPhone, smartphones, tablets, wireless earbuds as well as MacBook Neo and MacBook Air, making it the perfect versatile charging kit for multiple devices.

The **compact dimensions** make this charger the ideal accessory for those who want more power in less space: at just **31x32 mm**, the charger easily fits into a bag, backpack or pocket, so you can always carry reliable power with you wherever you go.

30W POWER DELIVERY WITH PPS FOR SMARTER CHARGING

30W Power Delivery technology delivers fast charging to compatible devices via the USB-C port. You can safely use the charger with different devices, as the power output automatically adapts to the connected compatible device, avoiding energy waste and overcharging risks.

The **Programmable Power Supply technology** further optimises charging by dynamically adjusting voltage and current according to your device's needs, ensuring more precise power management. These technologies make the 30W micro charger a versatile, efficient accessory perfect for all your compatible devices.

GaN TECHNOLOGY AND SOFT ANTI-TANGLE BRAIDED CABLE

The charger uses **Gallium Nitride (GaN)** semiconductors, an alternative material that enables high performance and efficiency in a compact format. The **USB-C cable** features a braided fabric covering that is soft yet durable and designed to prevent knots and tangles. Its 1.5 m length makes it ideal for comfortably using your devices while charging, even when the power socket is far away.

KEY FEATURES

- 30W wall charger with USB-C port
- Space-saving micro design (31x32 mm)
- Integrated Power Delivery for fast charging tailored to your device
- Programmable Power Supply for dynamic current and voltage management during charging
- Efficient and compact GaN semiconductors
- Anti-tangle braided fabric cable

WHAT'S INCLUDED

- 1 micro wall charger
- 1 cable

30W USB-C Power Delivery Charger Kit with 1.5 m USB-C Cable and Braided Fabric Covering
SKU: TETRKITGAN1C30MINI

Technical data

SKU: TETRKITGAN1C30MINI

Weight: 0.0200 g

Output power: 30W

Maximum output power: 30 W

EAN: 8018417536533

GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking

Color: white

Input: 100-240 V A.C. 50/60 Hz - 0.7 A

Output: 5V D.C. 3A / 9V D.C. 3A / 12V D.C. 2,5A / 15V D.C. 2A / 20V

D.C. 1,5A (PD 30W)

Connector: 1xUSB-C

Plug type: EU

Technology: GaN, Power Delivery (PD), Programmable Power Supply

Charging type: Power Delivery

Input voltage: 100 - 240 Vac / 50-60 Hz

Included accessories: 1 USB-C power cable
