25W Power Delivery Charger

SKU: TETRPD25W

Safely and quickly charge up to two devices with the Ultra Fast wall charger

TAKE ANYWHERE

The **25W Power Delivery** Charger is a small charger perfect for use on the train, at the airport, or anywhere with a **European power outlet**. Connect your device's USB or USB-C cable to this charger to keep your smartphone or tablet charged.

ULTRA FAST RECHARGING

The **USB-C output** is designed for your iPhone, Samsung or any other **Power Delivery compatible device**. **The 25W power** allows for ultra fast and safe charging that will get your smartphone battery up to 100% in just 30 minutes and your tablet in 90 minutes.* The USB-C plug is great for last minute recharging.

SAFE RECHARGING

If you plug your device's cable into the green **18W USB port**, you'll benefit from **Adaptive Fast Charge technology**. In this way, your smartphone or tablet will be charged not only quickly, but also safely, avoiding overheating and short circuits. Your device's battery is in the best hands.

TWO DEVICES AT THE SAME TIME

The **25W Power Delivery Charger** allows you to charge **two devices at the same time**. No more having to choose between your smartphone or tablet, and no more carrying multiple wall chargers. Charging two devices at the same time, the USB-C port will not activate Power Delivery technology, but will still provide fast charging.

*Charging times are approximate, and depend on the battery capacity of the device being charged.

DISTINCTIVE FEATURES:

- european plug with two pins
- charges smartphones in 30 minutes and tablets in 90 minutes
- safe charging, without short circuits or overloads
- charge two devices at the same time
