

## Extreme X2 Cover for iPhone 16 Pro Max

SKU: TEUNBKEX2IP1667P

**Your smartphone will be protected even if it falls from a height of 2 metres**

### LIGHTWEIGHT, TRANSPARENT AND ULTRA RESISTANT

The **Extreme X2** cover is perfect for protecting **iPhone 16 Pro Max** from bumps and scratches. It wraps around your smartphone perfectly without making it look bulky, and with its **transparent** design, you won't even notice it's there. The **materials** with which it is made (**TPU**) **make** the Extreme X2 cover an **excellent combination of resistance and lightness**.

It also protects the **camera area protected** but at the same time ensuring that photos and videos are always created smoothly through the **rear** holes.

### IT HAS PASSED DROP TESTS FROM A HEIGHT OF UP TO 2 METRES

The **cover Extreme X2** has passed specific tests that have certified its **resistance to falls from a height of up to 2 metres**. The particular **reinforced edges**, in fact, cushion the blow distributing it throughout the cover.

The **edges also cover the side buttons** offering complete protection for your phone without making it less practical to use.

### KEY FEATURES:

- certified by drop tests from a height of up to 2 metres
- camera holes
- material: TPU
- reinforced edges
