

## iPhone 16 case with LockPro locking system

SKU: TEURIP1661

### The MagSafe compatible cover that enables you to use Lock Pro holders

**Keeps your smartphone stable on the move with one simple gesture**

This **cover for iPhone 16** has an integrated **circular adaptor** that allows you to use **LockPro\*** holders. This locking system is designed to keep your smartphone absolutely stationary while travelling in **a car, motorbike, bike or scooter**. Press the adaptor onto the LockPro holder, rotate it until you hear a click: your iPhone is now secured **and ultra-stable**.

### Protects your iPhone from bumps and scratches

Thanks to its blend of extra dense PC and TPU, the LockPro case protects your iPhone from accidental falls and scratches. The **side buttons** are also covered, thus giving total protection to the phone's edges.

### Keeps the camera free

The camera hole lets you create photos and videos whenever you want. The raised **borders** still provide a good degree of protection.

\*LockPro holder not included
