

Car holder for air vents with LockPro locking system

SKU: TEURTRIAIRCLIP

The car holder with ultra-stable and secure locking system

Why choose the LockPro system? Maximum stability for your smartphone

The **LockPro car holder for air vents** features a **secure** system that allows you to **attach your smartphone with one hand**. Attach the **adapter sticker included in the package** to your Apple, Samsung, Huawei, Xiaomi, Oppo or other brand phone. Make sure that the surface to which the adapter is applied is smooth and clean, wait 15 minutes after application and make sure the adhesive sticks firmly. Next, you can easily and conveniently dock your phone to the holder thanks to the LockPro system: **press** the adapter against the holder's dedicated slot and **rotate it** until you hear a click. To release it, just press rotate and rotate the adapter again.

360° rotatable

You can rotate the smartphone 360°. In this way, you can also position it **horizontally** to better follow GPS directions. The arm is also jointed: **you can swivel it** as you want to position the phone as you like.

Easy to install

The holder is equipped with an adjustable **lever** that fixes it to the fins of the air vent. The two arms stabilise the support, ensuring **very good vibration resistance**. Enjoy your trips in total peace of mind

Key features:
