

Qi2 3x1 Wireless Charging Station for iPhone 16/15/14/13/12, Android smartphones, Apple Watch and wireless earphones

SKU: TEWIR3IN1QI2MFI

Charge up to three devices, even at the same time: here's why you should choose the 3-in-1 Qi2 technology cradle

Through this guide, you'll discover the advantages of the **3x1 wireless charging station with Qi2 technology**. This wireless charger combines efficiency and design: with no less than three dedicated charging stations, the charging station is ideal for those looking for an **all-in-one solution** to keep their devices charged.

WHY CHOOSE THIS CHARGING STATION WITH Qi2 TECHNOLOGY

Equipped with the Qi2 wireless charging system, the station guarantees optimal magnetic alignment thanks to **Magnetic Power Profile** technology. This innovative system not only improves energy efficiency, but also speeds up charging times and simplifies everyday use, as devices are placed in an intuitive and easy-to-reach position.

COMPATIBLE WITH THREE DIFFERENT TYPES OF DEVICES

Designed to be universal, our station supports the iPhone 16/15/14/13/12, compatible Android smartphones, wireless headsets and the Apple Watch. The **compatibility with MagSafe** technology offers an even smoother and safer charging experience for Apple devices.

CHARGE UP TO THREE DEVICES AT ONCE

Not only can you charge two devices at the same time, but with the addition of the third station, your **Apple Watch** can also be powered along with other devices. Perfect for users with multiple devices that are paired with each other, this station reduces clutter and maximises charging efficiency. This charging cradle is **MFI (Made for iPhone/iPod/iPad)** certified to charge Apple Watches, as this certification ensures that the device meets the quality and compatibility standards set by Apple. MFI-certified products are characterised by **high manufacturing quality** and ensure safe and optimal charging, protecting your smartwatch from potential damage.

PERFECT CHARGING STATION FOR OFFICE AND SMART WORKING

The modern, minimalist design fits perfectly into any environment, integrating elegantly into both home and office. Thanks to the **USB-C to USB-C cable** included, the station is ready to be connected to a power source and used immediately.

WHAT DISTINGUISHES THIS CHARGING STATION:

- Qi2 technology
- Three charging stations for mobile phones, Apple Watch and wireless headsets
- MFI certification

- Charges both Android and iPhone smartphones
- Compatible with Magsafe charging
- Magnetic docking and smartphone alignment via Magnetic Power Profile technology
- USB-C to USB-C cable for power supply included
