Wireless desktop charger with speaker and microphone

SKU: TEWIRDESKQISPK

Wirelessly charge your QI-enabled smartphone while participating in a video call or listening to music at full volume

INTEGRATED SPEAKER AND SPEAKERPHONE

This **wireless charger** has a **speaker and speakerphone** making it the ideal accessory for listening to music **up to 10 metres away**, and handling calls and video calls. So you can charge your smartphone while listening to your favorite playlist or video chatting with friends.

HIGH SPEED WIRELESS CHARGING

Connect the **Wireless Desktop Charger with speaker and microphone** to a power source using the **USB-C cable included**; simply place your smartphone on the charger and it will automatically start charging.

Or, using a Quick Charge compatible power source, you can harness the **power of 10W** and fully charge an Apple, Samsung, Xiaomi, Huawei or other brand smartphone **in just 60 minutes.***

SAFE CHARGING

The wireless desktop charger with speaker and microphone safeguards your device's battery. The wireless charger is equipped with **ADS (Automatic Detection System) technology** which recognises your device's power needs, protecting your device against short circuits and overheating. This feature is **ideal for owners of wireless-compatible iPhones** that require **5W or 7.5W of charging power**.

*Charging times are approximate and depend on the battery capacity of the device being charged.

DISTINCTIVE FEATURES:

- integrated 5W speaker and microphone
- Wirelessly charges compatible smartphones
- Charges a smartphone in 60 minutes by delivering up to 10W of power
- prevents overheating and short circuits
- able to power devices that require a lower power supply (5W and 7.5 W)
- Globally recognised QI certification

INCLUDED IN THE PACKAGE:

- Charging base
- USB-C power cable for base
- instruction manual
