15W wireless base

SKU: TEWIRELESSUF15W

Fast charge wireless charger, QI compatible

UNIVERSAL

15W of power to charge your smartphone in **less than an hour**. This wireless desktop dock is perfect for quickly charging your device, **whether it be Android or Apple**.

POWERFUL

The desktop dock can fully charge a smartphone in just 50 minutes. Thanks to **ADS (Automatic Detection System)** technology, the wireless charger automatically recognises and regulates the power supplied to your device.

This makes it perfect for charging iPhones as well. The power drops to **5W** / **7.5W** depending on the Apple device model to avoid short circuits or overheating.

EASY

The dock features **Qi** technology. This certification means that the product is capable of wirelessly charging compatible devices. So make sure your smartphone is enabled for this type of protocol.

Just connect the base to a power source using the USB-C cable included in the packaging and place your smartphone on it. The power **will start straight away**.

FEATURES:

- Power: 15W
- QI technology
- ADS technology
- Smartphone fully charged in around 50 minutes

15W wireless base
