6-in-1 100 W MagSafe-compatible Wireless Power Dock

SKU: TEWIRMAG105W

The ultimate power station: simultaneous charging for all your devices

CHARGE UP TO SIX DEVICES SIMULTANEOUSLY

With this **6-in-1 wireless charging dock**, you can power all your devices with a single solution. Imagine coming home after a long day: you put your **iPhone** on the MagSafe-compatible charging base (which can be tilted by 60°)**,** connect your **laptop with USB-C** to the integrated cable to charge it overnight, and charge your **tablet** via the Type-C port. Meanwhile, you can charge your wireless headphones with the 5W **standard wireless charging dock**. Optimal organisation using only one socket.

IPHONE STAND FUNCTION AND STANDBY MODE

Transform your 6-in-1 Power Dock into the **ideal stand** for your iPhone thanks to the built-in **stand function**. Position your smartphone vertically or horizontally to watch videos, make video calls, or check notifications, without having to hold it in your hand. Moreover, when your iPhone is charging in landscape mode, you can **take advantage of the iOS** StandBy function **to view widgets, clock, photos and notifications** at a glance, making your desk or bedside table even smarter and more functional.

MAXIMUM POWER WITH NO CLUTTER THANKS TO THE INTEGRATED CABLES

Do you need to recharge your **MacBook or other USB-C device**? The **two integrated Type-C cables** can reach up to **0,65cm** and guarantee a power of **65 W** when used individually or **45 W** and **20 W** if used together. Perfect for laptops, tablets and smartphones, they eliminate the clutter of separate cables and offer a practical solution for your desk or bedside table.
