# 2 in 1 Vertical Wireless Charging Station for iPhone, Android Phones, AirPods, TWS Earphones

SKU: TEWIRMAG2IN1

## Charge an iPhone or Android smartphone together with the earphone base: discover the advantages of this wireless support

**Charging station for iPhone, Android mobile phones and compatible earphones with wireless charging**

This **vertical wireless charging station** is perfect for wirelessly charging **2 devices at the same time**, wirelessly. The charger on the metal stand is ideal for charging **iPhones 16/15/14/13/12 with MagSafe** capabilities. The surface actually uses magnets to connect to the phone, holding and charging it.

The flat base of the charging station is also equipped with a **5-watt charger**: use it to charge an **Android phone**, **AirPods base**, or other TWS earphones.

**To quickly charge iPhone 11 series and earlier**

You can charge the station itself using the included **USB-A to USB-C cable**. The magnetic base on the metal stand will deliver up to 15 watts of power, allowing your devices to charge quickly. The **Automatic Detection System (ADS) technology recognises the power needs of different devices** and regulates the power output accordingly. Charging is always fast and **free from overheating and short circuiting.**

**Compact wireless charger with vertical design**

This **charging station** takes up very little space thanks to its **minimalist vertical design**. Additionally, thanks to the suction cup under the flat base, it attaches firmly to flat surfaces: the perfect accessory for your desk at the office or at home.

**Key features:**

- wireless charging
- Charges up to 2 devices simultaneously
- maximum power: 15 Watts
- Automatic Detection System (ADS) technology: recognises the charging needs of different devices and regulates the power
- flat base with 5-watt charger
- vertical design: takes up very little space, perfect for your desk

**Contents include:**

- USB-A - USB-C charging cable
