# 10,000 mAh Wireless Power Bank with Cooling Fan

SKU: TTBB10000FANMAG

## The MagSafe-Compatible Power Bank that Cools Your Smartphone

**Charge your iPhone or Android smartphone wirelessly**

This **10,000 mAh wireless power bank** can recharge your devices multiple times. In particular, if you have an **Android** phone with wireless charging, simply place it on the flat surface to get a **15-watt** power supply. This external battery is **MagSafe compatible**, so if you own an **iPhone** from the 12 series onwards, it will **magnetically attach** to its body. This way, your Apple smartphone will charge easily and conveniently. The **Automatic Detection System (ADS) technology** provides maximum protection against short circuits: the power bank understands the energy needs of the charging device and **adjusts the power output** accordingly.

**The cooling fan**

The built-in fan keeps your smartphone at an optimal temperature, **preventing overheating** and **increasing charging efficiency**. The fan helps prevent unnecessary energy loss from the phone. This feature is especially useful during summer and in environments with high ambient temperatures.

**Through the USB-C port, you can charge the power bank or another device**

At the bottom of the external battery, you will find a **USB-C port** that delivers **18 watts of power**. This port can be **used to power the power bank** when it's low by connecting it to a power source through the **included USB-C to USB-C cable**. You can monitor the remaining charge through the **integrated display**. Use the Type-C port to **charge another device** such as a speaker, TWS earbuds, or a tablet. This way, you can wirelessly charge your iPhone and, **at the same time**, your earbuds. Thanks to **Power Delivery (PD) technology**, you'll always have ultra-safe charging.

**Key Features:**

- Capacity: 10,000 mAh
- Built-in cooling fan
- 15-watt wireless charging
- MagSafe compatible
- Automatic Detection System (ADS) technology
- 18-watt USB-C in/out port
- Power Delivery (PD) technology
- Integrated status display

**What's in the box:**

- USB-C to USB-C charging cable
- Instruction manual

10,000 mAh Wireless Power Bank with Cooling Fan
SKU: TTBB10000FANMAG

# Technical data

EAN: 8018417489235
SKU: TTBB10000FANMAG
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 2.1000 cm
Input: 5V D.C. 2,5A/9V D.C. 2A/12V D.C. 1,5A (18W)
Net Width: 7 cm
Net Height: 11 cm
Output: PD 18 W - Type C
Weight: 255 g
: 85076000
Battery: 10.000 mAh (37 Wh)
Connector: 1xUSB-C
Technology: Compatible with MagSafe, Power Delivery (PD)
Connector 1: 1xUSB-C
Charging type: Power Delivery 18W
Battery capacity: 10000 mAh
Recharging cable: USB-C - USB-C
Included accessories: User manual, Charging cable
Maximum output power: 18 W
