Power Bank 10,000 mAh with LCD PD 20W

SKU: TTBB10000LCDPD20

Charge all your devices anywhere thanks to the integrated cable

Leave your cables at home with this power bank

This **10,000mAh power bank** allows you to charge your **smartphone, tablet, e-reader, speaker** or **earbuds** while you're on the move. If you have a device with a USB-C port, you don't need to worry about carrying a cable: this power adapter has a built-in Type-C cable. The **20 Watt** delivered give your device all the charge it needs.

Charge up to 3 devices simultaneously

With the USB-C and USB-A ports and the integrated cable, you can charge **up to 3 devices at the same time**. The **USB-C outlet** delivers a maximum power of **20 Watts** and is equipped with **Power Delivery (PD) technology**: it safely transfers high amounts of energy. The **USB-A port**, on the other hand, can transfer energy at a **power of 22.5 Watts** and, thanks to **Adaptive Fast Charge (AFC) technology**, understands the device's maximum power requirements to charge it the best way possible, while avoiding overheating and short circuits. Charge all your devices with peace of mind.

The display allows you to monitor the charge level of the power bank

By pressing the power button you will activate the digital display showing you the amount of energy it is delivering; you will also be able to know the exact percentage of residual charge in the power bank. If the charge is too low, use the built-in cable or the USB-C port to connect it to a power source and recharge it.

Very compact and usable on aeroplanes

Its small and compact size mean that it takes up little space on your desk and allows you to charge your smartphone in your jacket pocket without weighing it down excessively. You can also use it on the plane: just put it away in your backpack or handbag.

Key features:

- Integrated USB-C cable 18W input - 20W output
- integrated display
- capacity: 10,000 mAh
- 18W USB-C input - 20W output
- Power Delivery (PD) technology
- 22.5W USB-A port
- Adaptive Fast Charge (AFC) technology
- compact

Power Bank 10,000 mAh with LCD PD 20W
SKU: TTBB10000LCDPD20

Technical data

EAN: 8018417499388
SKU: TTBB10000LCDPD20
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 2.6000 cm
Input: 5V D.C. 2,5A/9V D.C. 2A/12V D.C. 1,5A (18W)
Net Width: 5.4000 cm
Net Height: 11.7000 cm
Output: 5V D.C. 3A/9V D.C. 2A/ 12V D.C. 1,5A/ 10V D.C. 2,25A (22,5W)
Weight: 255 g
: 85076000
Battery: 10.000 mAh (37 Wh)
Connector: 1xUSB-A, 1xUSB-C,
Technology: Adaptive Fast Charge, Power Delivery (PD)
Connector 1: 1xUSB-A, 1xUSB-C,
Charging type: Power Delivery 20W
Battery capacity: 10000 mAh
Recharging cable: USB - Type C
Maximum output power: 20 W
