20W 10000mAh Power Delivery power bank with built-in USB-C cable

SKU: TTBB10000TCPD20K

Take energy with you at all times: charge your devices anywhere, anytime!

The **10,000 mAh powerbank with integrated USB-C cable** It is the perfect solution for those who want their devices charged and ready for use at all times. Its capacity is large enough to charge a smartphone up to 4 times and a tablet up to 2 times on average.

Fast charging and advanced technology to power many types of devices

This powerbank features fast charging with **20W Power Delivery**, which allows you to recharge your compatible devices very quickly. You can take advantage of this charging mode through the integrated USB-C cable. What's more, through the USB-A **Adaptive Fast Charge** port of up to 22.5W, you can quickly charge all compatible devices.

Slim, super practical design for everyday use

The slim design of the SBS Powerbank, with a length of just over 10 cm and a width of just over 6 cm, makes it extremely portable and easy to transport. With the USB-C and USB-A port, you can charge **up to 3 devices at the same time**. The integrated USB-C cable is ideal for powering smartphones, tablets, speakers, earphones, smartwatches and many other accessories, without the need to carry additional cables with you.

LED display and integrated functions for simple and intuitive management

The **built-in LEDs** show the remaining charge of the powerbank, so you always know how much power you have available. The USB-C port allows you to connect the included USB-C-USB-A cable to a power source to recharge the powerbank or other accessories, ensuring maximum flexibility of use. With the 10000 mAh Powerbank, you will always have the necessary energy at hand, wherever you go, even on the plane.
