

10000 mAh 40 W power bank with Power Delivery and AVS, with included USB-C cable and TFT display

SKU: TTBB10000TFTPD40

Smart energy and easy monitoring, even on the move

A PRACTICAL SOLUTION FOR INSTANT POWER

Leave your charging cables at home: all you need is this power bank. The **included USB-C cable** is perfect for recharging smartphones, tablets and other devices, with no need for additional accessories. Connect it to the **40 W USB-C port** for fast and reliable charging. When not in use, you can store the cable in the appropriate slot, connected to the power bank by a practical removable loop strap. Ideal for everyday use and travel, this **10,000 mAh power bank** allows you to keep a practical source of instant energy at your disposal.

SMART COLOUR DISPLAY FOR REAL-TIME MONITORING

The built-in **smart colour display** shows useful information in real time, such as the battery level, power output, charging status and temperature of the power bank. This system allows for **precise and intuitive control** of the performance of the power bank, helping you to better manage the available energy during use.

OPTIMISED CHARGING WITH AVS AND POWER DELIVERY

The **Power Delivery** technology allows for fast and safe charging by automatically adapting the power supplied to the connected device: you can therefore charge various compatible devices, including your mobile phone, smartwatch, MacBook Air or wireless earbuds. The **AVS (Adjustable Voltage Supply)** system dynamically adjusts the voltage and current, improving energy efficiency and helping to **protect the battery** over time. This system is particularly ideal for latest generation smartphones such as the iPhone 17. The combination of these technologies ensure reliable performance and compatibility with different devices, providing a charging solution to suit all your device needs.

KEY FEATURES

- 10,000 mAh power bank
- 40 W Power Delivery USB-C port
- Included USB-C cable
- Smart colour display
- Power Delivery and AVS

INCLUDES

- 1 10,000 mAh power bank
- 1 USB-C cable

10000 mAh 40 W power bank with Power Delivery and AVS, with included USB-C cable and TFT display
SKU: TTBB10000TFTPD40

Technical data

SKU: TTBB10000TFTPD40

Weight: 200 g

Output power: 40W

Battery capacity: 10000 mAh

Recharging cable: USB - Type C

Maximum output power: 40 W

EAN: 8018417536748

GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking

Color: black

Output: 5V D.C. 3A/9V D.C. 3A/12V D.C. 2.9A/15V D.C. 2.33A/20V

D.C. 1.75A (PD 35W)

Battery: Lithium polymer battery

Connector: 1xUSB-C

Technology: Adjustable Voltage Supply, Power Delivery (PD)

Charging type: Power Delivery

Included accessories: 1 USB-C power cable
