Fast charge powerbank: 20,000 mAh, 2 USBs

SKU: TTBB20000FASTK

20,000 mAh charger with two USB outputs equipped with Intelligent Charge technology, USB-C input/output

Two USB ports for fast and safe charging
Using the 2.1A Intelligent Charge (IC) USB port individually, you can fully charge your device in 1 hour*. The power bank automatically detects the maximum power your device can absorb and adjusts accordingly. The power supply provides full protection against overheating or short circuits.

Power and charging always within reach
The power bank has a capacity of 20,000 milliampere-hours (mAh), allowing you to recharge your devices up to 8 times.
Its extra slim, lightweight, thin and compact design makes it easy to carry in your jacket pocket, pants, or bag.
This way, your devices are always charged and ready to use.

The 10-Watt USB-C port charges the power bank and your devices
The USB-C port delivers 10 Watts of power to charge your device quickly. This port can also be used to charge the power bank itself: connect it to a power source using a USB-C cable (included).

Battery level always under control
The power bank has a USB-C port in which to insert the included cable to recharge the power bank or to charge a device.
Thanks to the four status LEDs, you can accurately monitor the remaining charge level.

**Charging times are approximate and depend on the capacity of the device being charged*

Key features:

- Full recharge up to 8 times with 20,000 mAh capacity
- One 2.1A USB port with Intelligent Charge (IC) 10 Watts for fast charging when used alone
- One 1A USB port 5 Watts
- One 10W USB-C port for both charging the power bank and your devices
- 4 status LEDs for precise battery monitoring
- Extra slim design
- Fast charging technology

Package includes:

- 20,000 mAh extra slim power bank with 2.1A USB Intelligent Charge (IC) port
- Charging cable with USB and USB-C connectors
- User manual

Fast charge powerbank: 20,000 mAh, 2 USBs
SKU: TTBB20000FASTK

Technical data

EAN: 8018417293948
SKU: TTBB20000FASTK
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 14 cm
Input: 5VDC/1A, 5VDC/2.1A
Net Width: 6.5000 cm
Net Height: 2.5000 cm
Output: 5VDC - 2.1A Max
Weight: 460 g
: 85076000
Battery: Lithium polymer battery
Connector: 2xUSB-A, 1xUSB-C
Technology: Intelligent Charge
USB Output: 5V D.C. - 1A
Connector 1: 2xUSB-A, 1xUSB-C
Type C Input: 5V D.C. - 2.1 A
USB 2 Output: 5V D.C.-2.1 A
Battery capacity: 20000 mAh
Recharging cable: USB - Type C
Included accessories: User manual, Charging cable
