Tower Powerbank 24000 mAh with smart display, Power Delivery 3.0, 2 USB-C ports and 1 USB-A port

SKU: TTBB24000PD280W

Power on the go for all your devices, perfect for laptops

24000 MAH POWERBANK TO CHARGE UP TO 3 DEVICES

The **Tower PowerBank 24000 mAh** is designed for anyone who needs reliable power on the go, at the office or while travelling. Thanks to the **2 USB-C ports** and **USB-A port**, it can power up to **3 devices simultaneously**, including laptops, tablets, smartphones, TWS earbuds and compatible accessories. The tower design offers a comfortable grip and helps keep cables neatly organised on your desk or in your backpack.

CHARGES EVEN THE MOST DEMANDING DEVICES

Power Delivery 3.0 technology enables fast, adaptive charging and is compatible with high-power devices: this technology allows the powerbank to communicate intelligently with the connected compatible device and adjust the power output accordingly.

The two **USB-C ports** deliver up to **140W each**, even when used at the same time, making them ideal for powering laptops as well as smartphones that require high charging power. The **USB-A port** delivers up to **18W**, making it perfect for devices with lower charging needs such as wireless earbuds or tablets. The maximum output power reaches **280W**, so you can manage multiple devices without compromising on performance.

SMART COLOR DISPLAY AND TWIN CHARGE FOR CONTROL AND FAST RECHARGING

The **smart color display** shows useful information in real time, such as battery percentage, remaining time and the performance of each port, allowing you to keep your powerbank's performance under control in a simple and intuitive way.

The **Twin Charge** function lets you recharge the powerbank faster by using two power inputs simultaneously, with a maximum input of up to **100W**. The included **1-metre USB-C to USB-C cable** completes this powerful charging solution, making it practical and ready for every busy day.

WHAT MAKES IT STAND OUT

- 24000 mAh powerbank
- 280W maximum output power
- Smart color display to monitor the powerbank's performance
- Power Delivery 3.0: intelligent control of the power output
- Simultaneous charging of 3 devices
- Twin Charge up to 100W: use the two USB-C ports at the same time to recharge the powerbank

WHAT'S IN THE BOX

- 1 power bank
- 1 cable
- 1 user manual

Tower Powerbank 24000 mAh with smart display, Power Delivery 3.0, 2 USB-C ports and 1 USB-A port

Technical data

EAN: 8018417536809
SKU: TTBB24000PD280W
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 4.5000 cm
Input: 5V D.C. 3A / 9V D.C. 3A / 12V D.C. 3A / 15V D.C. 3A / 20V D.C. 5A (100W)
Net Width: 5.5000 cm
Net Height: 15 cm
Output: 5,0 V D.C. 3,0 A / 9,0 V D.C. 3,0 A / 12,0 V D.C 3,0 A / 15,0 V D.C 3,0 A / 20,0 V D.C 5,0 A / 28,0 V D.C 5,0 A (PD 140,0 W), 5V D.C. 3A / 9V D.C. 2A / 12V D.C. 1,5A (18W)
Weight: 620 g
: 85076000
Battery: Lithium polymer battery
Connector: 2xUSB-C, 1xUSB-A
Technology: Adaptive Fast Charge, Power Delivery (PD)
Charging type: Power Delivery
Battery capacity: 24000 mAh
Recharging cable: USB - Type C
Included accessories: 1 USB-C power cable
Maximum output power: 280 W
