Travel USB charger kit - Lightning

SKU: TTTRKITLH2AUK

Wall battery charger with Intelligent Charge and USB port, with USB - Lightning connector cable, length 100cm

This **battery charger kit** is designed for those who cannot go with out their Apple devices when out and about.
The wall charger with a UK socket has a 2.1 USB outlet which supports the innovative **Intelligent Charge** technology that will guarantee you reliable recharging in no time. In fact, in just 30 minutes, the battery level of your device will already be at **50%**.
All you need to do is connect this transformer to your Apple device via the cable included in the kit. Insert the **Lightning** connnector into the dedicated port on your iPhone, iPod or iPad and the USB into the dedicated port on the charger. At 100m long, this cable is practical in many situations.
Always carry this kit with you **during your travels**: 2 must-have products so that you are never low on battery.

Features:
