

D30[®] Active Full Cover Glass

How to Apply the Screenglass:

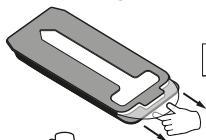

1

Clean the device with the wet and dry wipes provided.

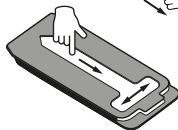

2

Align the orange applicator with the device.

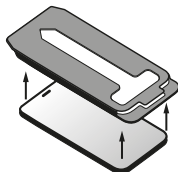

3

Peel off the protective layer by pulling the tab.

4

Press down with your finger (vertically then horizontally), following the arrow direction.

5

Remove the orange applicator.

6

Use the included spatula to remove air bubbles, if needed.

Enjoy your new screen protector!
