

Eco-friendly wireless speaker

SKU: TEOCNSPEAKERB

3 watt wireless speaker with AUX input, made from 35% bio-degradable materials, with strap

THE SOUND OF NATURE

Indulge your passion for music while protecting the environment. This **3 watt wireless speaker** is the right choice for those who want a functional, practical and above all **eco-friendly** product. Take it with you everywhere thanks to the **strap**, or use the AUX cable to connect music players.

SUSTAINABILITY

This wireless speaker is made from 35% bio-degradable materials, while the **Plastic Free packaging** is made entirely of recycled paper and the ink used is **environmentally friendly**. By choosing products from the Collezione Oceano you also contribute to the cause of **Marevivo**, the Italian association for the defence of the sea and its resources.

HOW TO USE IT

Pair the speaker with your smartphone by accessing your device's Bluetooth settings. The 500 mAh capacity guarantees **up to four hours of music listening**. It can also act as a speakerphone when you receive calls.

This accessory also comes with an **AUX input**. Use it to listen to music when you can't do it wirelessly or you want to connect your MP3 player.

WITH YOU EVERYWHERE

The handy **wrist strap** is useful for carrying the speaker with you at all times. You can hang it at home wherever you want to play your favourite music while you study or cook, or hook it up to a backpack and carry it with you at all times.
