Cover with transparent surface and anti-shock edges for Samsung Galaxy S10e

The **Shock cover from the Unbreakable Collection** for the **Samsung Galaxy S10e** is the ultimate protection for your device. This case with a transparent surface has **undergone a drop test** (impact test), in other words a simulated fall from a height of 3 metres. Thanks to the shockproof edges and the double material that characterise it, the Shock case can absorb even strong impacts from accidental falls.

In addition, **vibrations are absorbed** so that the internal components of your smartphone are not damaged.

This cover fits the device perfectly, leaving the connectors and buttons free and conveniently usable. **Safety and practicality go hand in hand.**
