

Cable de datos y carga tipo C – USB 2.0

SKU: TECABLETYC1KPOS

Cable para transferencia de datos y carga con conexiones tipo C y USB 2.0 de 1 metro de largo.

This data and charging cable with **Type-C** and **USB 2.0** connectors is the ideal accessory for powering up your devices at any time.

The use of this cable is **simple** and **intuitive**: insert the Type-C connector in the appropriate socket of your smartphone and the USB end in a suitable input of a computer or another device.

This way you can **recharge** your mobile device and **transfer** and **synchronize** data such as music and images.

1 metre long and easily rolled up, this cable is a handy product to carry with you to meet any requirement.

PLASTIC-FREE PACKAGING

The **eco pack** renounces its plastic components opting for a **totally paper composition**.

Features:

- Data transfer and synchronization
- Recharges power
- USB 2.0 and Type-C connectors
- Length 1 m
- Plastic-free Eco Pack
