

5W wireless microphone for karaoke with TF card reader

SKU: MHMICBTK

Have fun with your friends with this microphone for karaoke and parties: choose your song and go wild!

WIRELESS MICROPHONE FOR PARTIES: GOOD VIBES ON AIR!

This **wireless microphone** is the perfect accessory for livening up your parties! Start the backing track from the app on your phone and start singing. Or use the **TF card, USB and 3.5mm jack** input if you prefer an audio source other than your smartphone.

CONNECTION TYPES SUPPORTED BY THE MICROPHONE: PLAY THE MUSIC HOWEVER YOU LIKE

This karaoke microphone is **wireless**: it connects with any device with a Bluetooth setting, such as iPhone, Samsung, Oppo, Xiaomi, Huawei or tablets, iPads and PCs. It also supports the YouTube and Spotify apps.

You can start the backing track from your smartphone, but also from a TF card or USB stick. In fact, there are **dedicated slots** for inserting these two devices on which you can store your favourite songs.

If you don't have a device with a wireless connection available, you can use the **AUX port** to connect with the microphone.

THE KEY FUNCTIONS OF THE MICROPHONE

Use the keys on the microphone to start or pause the music, turn the volume up or down or switch tracks. You can also **adjust the volume of the microphone** and the **reverb** for a crystal clear sound.

CHARGING THE MICROPHONE

If fully charged, the battery will last for **3 hours running**. When it runs out, you can charge the microphone with the USB-Micro USB cable provided.
