

USB 2.0 Aramid Fibre Reflective Type-C Lightning Cable

SKU: TECABLEUNRELTC2YK

Resistant Aramid Fibre Charging and Data Transfer Cable with Type-C and Lightning Connectors, 2 metres, orange-black.

INDISENSIBLE FOR DIE-HARD APPLE USERS

Reflective, reinforced, versatile and colourful. The **Lightning Type-C cable** from the **Unbreakable Collection** is a perfect accessory to recharge and transfer data. The metal reinforced connectors ensure fast transfers between devices. The cable is ideal for powering iPhones, iPads and iPods or transmitting data from an Apple device to a smartphone or other accessory with a Type-C port.

This Type-C Lightning cable allows you to recharge newer model iPhones with Power Delivery technology, resulting in ultra-fast power supply possibilities.

The 2-metre length affords extremely versatile use.

STURDINESS: BENDING IS NOT A PROBLEM

The wire that joins the two connectors is made **in aramidic fibre**, . This guarantees remarkable resistance to manipulation, vibrations and shocks. This product has successfully passed a **50,000-bends stress test** which certifies its durability over time and the possibility of using it even in corners where **angles are particularly pronounced** .

ZERO TANGLING, USE IT ALSO IN THE DARK

The **braided sheath** is pleasant to handle and prevents knotting and tangling. It has a special **reflective** finish so you can use this accessory even in low-light situations. This coloured cable gives off light effects and reflections that also make it visually appealing.

FEATURES:

- A “Made-for-Apple” device. This accessory is made to support Apple devices* and is certified by the manufacturer to meet the performance standards set by Apple.
- Made of aramid fibre
- Reinforced Type-C and Lightning connectors
- Reflective
- Suitable for charging, transferring and data synchronisation
