

## 100W car splitter for fast charging up to 5 devices

SKU: TEHWCR2CAR3U

**1 USB-C output, 2 USB-A outputs, 2 cigarette lighter/charger sockets, perfect for charging all passengers' devices while driving**

### CHARGE ALL YOUR DEVICES WITH A SINGLE ACCESSORY WHILE DRIVING

The **car splitter with a total power of 100W** allows you to quickly charge as many as **5 devices at a time**. In fact, it is equipped with as many as **3 USB outputs and 2 cigarette lighter/charger sockets**. It's perfect for having all your devices charged when you arrive at your destination: **your passengers** will also be able to use this accessory. Whether you're in the car, camper or in a truck, you'll always have a valuable ally to help you deal with small daily needs.

### A SPLITTER FOR AS MANY DEVICES AS YOU NEED: HERE ARE THE ONES

This car charger can charge many types of devices depending on the cable you use: Android smartphones and tablets **Samsung, Oppo, Xiaomi, Huawei, LG, Motorola, Nokia etc** or Apple, i.e. **iPhone and iPad**.

In addition, it can power **lots of other useful accessories**: wireless charging media, power banks, bluetooth headsets, gps, navigators, dash cams, e-book readers, Mp3s or smartwatches.

### USB OUTPUTS: PERFORMANCE AND SAFETY FOR FAST CHARGING

Once you have inserted the splitter in your car's 12V/cigarette lighter outlet, you can use the USB-A or USB-C ports.

The red USB-C output uses **Power Delivery** technology. When used individually, it delivers a power of **20W** with which it charges a compatible smartphone **in just 30 minutes and a tablet in about an hour**. This technology allows a fast power supply **without overheating or short-circuiting the device**.

The two light blue USB outputs use **Intelligent Charge 12W** technology. This system allows the splitter to automatically recognise the power requirements of devices **without overloading them**. When used individually, they can charge a **smartphone in 45 minutes and a tablet in 90**.

#### **SLOTS FOR CIGARETTE LIGHTERS/OTHER CHARGERS: THE ADVANTAGES**

The two circular charger slots are designed to accommodate other chargers or additional accessories such as a travel cooler or bottle warmer. The overall power is **60W** to ensure fast power to connected devices.
