

# TWS Wizard 20 Speaker

SKU: TEJZSPEAKWIZ20K

**Music the way you want it: the True Wireless Stereo speaker that stands out when it comes to performance and functionality**

## IMMERSIVE SOUND

The **TWS Wizard 20 Speaker** is the best choice for those looking for a distinctive sound with good power and a battery that allows for extended use. With **20 watts** you can enjoy your music while relaxing on your sofa or in situations where you need higher volume. Using the **volume control buttons**, you can **adjust the volume** and **play/pause** your songs directly from the speaker.

## LONG BATTERY LIFE

The **1800 mAh battery** provides **up to 5 hours of listening** for music-filled afternoons in the park. The **Micro-USB cable included** lets you charge the speaker whenever you need it.

Place it wherever you want and move around freely: this audio speaker has a **range of up to 10 metres**.

## MULTI-FACETED

Listen to music **wirelessly** by pairing your smartphone, tablet and laptop with the speaker, or connect them to the input you want via an **AUX cable**.

The speaker is also equipped with inputs for an **SD card** and a **USB stick**. Lift the flap at the back of the unit to reveal the input for connecting external memory storage. Use the 'M' button to **change the source** you want to play your music from.

**True Wireless Stereo technology** lets you synch up two Wizard 20 audio speakers. This allows you to create a surround sound effect to fully immerse yourself in a film or your favourite playlist.

## PRACTICAL

Carry the Wizard 20 everywhere you go just like a backpack thanks to the **adjustable strap** that attaches to the rings on the speaker. Enjoy a peaceful day at the beach or pool - **IPX4 certification** means the speaker is splash- and dust-proof\*. The built-in speakerphone also means you don't have to disconnect your smartphone from the speaker to join a call.

\*not suitable for full immersion in water
