

Firenze Wireless Stereo Headphones

SKU: TENOSHEADBTR

V5.0 wireless stereo headphones with multifunction buttons and a built-in adjustable microphone which can also be used with a 3.5mm jack

A CUSTOMISED CHOICE

With the **Firenze stereo headphones**, you can choose whether to **wirelessly** listen to music and answer calls or to connect your smartphone or device via **cable**. Comfortable and adjustable, the headphones feature **refined retro styling**.

COMFORT AND CHARM

Wear these Firenze headphones as if they were an elegant accessory with a vintage flair. The earcups are made of **soft material** and the **headband adjusts** to your needs. Made in Florence, the capital of Tuscany and the city of art and fashion, these earphones have haute couture built into them.

WIRELESS AND WIRED

Firenze headphones meet every need. You can **wirelessly** pair them with your smartphone or use the jack input to connect your device via the **included cable**. You can use the headphones with devices that do not support wireless connection such as **stereos, turntables or music players**.

When used wirelessly, the buttons on the left earcup allow you to regulate volume as well as music choice and calls. You can take phone calls thanks to the **built-in microphone**. With a wired connection, the controls on the headphones go off and you use your smartphone controls instead.

PERFORMANCE AND CHARGING

When your wireless headphones run out of power, you can recharge them via the included USB-Micro USB cable. When fully charged, they offer up to **12 hours of battery life**.
