

30W Power Delivery Charger

SKU: TETR1CPD30

If you want your smartphone 100% charged in under an hour, the Ultra Fast wall charger is the perfect choice

CARRY IT WITH YOU AT ALL TIMES

The **30W Power Delivery Charger** is a practical accessory perfect for everyday use. At home or in the office, this **compact** charger can be taken anywhere. Connect your device's USB-C cable to the charger to immediately charge your smartphone or tablet. The **European plug** can be used in many countries around the world.

QUICK AND EASY CHARGING

Quickly and easily charge your iPhone, Samsung or any smartphone or tablet with a **USB-C port** compatible with **Power Delivery technology**. Save time: the **30W output will** recharge your **smartphone in 30 minutes** or **tablet in 60 minutes***.

SAFE CHARGING

Power Delivery technology protects your device against **overheating** or **short-circuiting**. The charger will recognise your device and adjust the power output accordingly to prevent overcharging of your smartphone or tablet. Charging is both fast and intelligent.

*Charging times are approximate and depend on the battery capacity of the device being charged.

DISTINCTIVE FEATURES:

- European socket
- charges smartphones in 30 minutes and tablets in 60 minutes

- charges safely, with protection against short-circuits and overloads
