

35W Power Delivery Wall Charger with two USB-Cs

SKU: TETR2CPD35W

Quickly charge two devices at the same time

CHARGE TWO DEVICES AT THE SAME TIME

This **main charger** is ideal for charging **two devices**, such as a tablet or a Samsung smartphone, or an iPhone and an iPad, or a speaker and a smartwatch, **both at the same time**.

After plugging in the charger, connect your device via a USB-C cable: charging will start automatically.

USES 35W POWER DELIVERY TECHNOLOGY

You can also easily **charge** a **MacBook AIR or other laptop models**. Its **two USB-C ports** can deliver **up to 35W** of power if used individually.

This charger actually uses **Power Delivery technology**, meaning it can provide a high volume of energy.

POWER DELIVERY TECHNOLOGY IS ALSO TOTALLY SAFE

Power Delivery technology also allows you to charge your devices with **maximum safety**, preventing overheating and short-circuiting.

COMPACT SIZE AND EUROPEAN PLUG

Its **compact size** means you can take it anywhere in your bag or backpack. It is particularly suitable for travelling abroad: its **European plug is adopted in many countries worldwide**.

*check your laptop's charging Watt requirements
