

Bobble hat with wireless earphones

SKU: TEWOOLFURG

Bobble hat with built-in stereo wireless earphones featuring buttons to manage music, answer/end calls, and built-in microphone

The **bobble hat** with built-in stereo wireless earphones is a comfortable accessory to brighten up your winter: listen to music and answer calls without getting cold.

This hat will keep you warm and snug: just what you need on winter walks or when waiting in the cold. Made from **soft materials** to ensure maximum comfort, this hat has a delightful bobble for that chic and **trendy look**.

The stereo wireless earphones feature **multi-function buttons** to manage your tracks and calls. To use the earphones you first need to connect them to your smartphone by going to the Bluetooth settings on your device. You can pause your music, change tracks, make calls, answer calls and return the last call.

You can remove the earphones to wash* the hat. The **USB-Micro USB cable** included with the product will enable you to charge them: just one charge will last for up to 4 hours.
