

Wireless Slide Headphones

SKU: TTHEADPHONEBTSLIDEB

Brown wireless headphones with a sliding volume control, start / end calls button and music management features

These **Wireless Slide Headphones** produce clean sound, deep bass and feature **passive noise-cancellation**. With these headphones, you will be able to listen to your favourite music without any distractions.

They are extremely soft, providing an extraordinary level of comfort, while they perfectly isolate listeners from the outside world. The left earphone has a convenient "**Slide Control**" panel that allows you to manage your music, adjust the volume or answer calls with a simple movement. The headphones are also equipped with **3.5mm jack** inputs. Just connect them to a jack and turn them into a cabled headset.

The magnetic closure can also be used to store your headphones and accessories.
