

## Double wireless magnetic earphones

SKU: TEEARBT780BTK

**Stereo semi in-ear earphones with V5.0 wireless technology, magnetic fastening, integrated microphone, control buttons, and 2 rubber tips with headband included**

### DOUBLE: IMPOSSIBLE TO LOSE

These **Double wireless magnetic earphones** allow you to listen to music and answer calls with a touch of style, thanks to the modern metallic finish.

The two earpieces feature small **magnets** that allow them to be fastened, making it easy to stow them or wear them around the neck without them falling.

### ALL THE POTENTIAL

These Double earphones make great use of their **semi in-ear** design: the earpieces adapt to the shape of the ear, protruding slightly to avoid irritation during prolonged use. When fully charged, you can use them for **approximately 7 hours**.

The **controller** of these earphones features answer/end call buttons, as well as buttons to control the volume and track. There is also a **Micro USB port** for charging, which can be done using the USB-Micro USB cable that is included. The integrated microphone allows you to talk to anyone who calls.

### MULTI-POINT

The **multi-point technology** allows you to connect these earphones to two devices simultaneously, making them extremely practical to use. In this way, you can manage calls from two smartphones without disconnecting and reconnecting repeatedly.

### SPORT MODE: ON

Within the package you will find **two rubber tips in silicone, featuring a headband** : this is used to stabilise the earphones during sport.

**FEATURES:**

- V5.0 wireless technology
- Stereo
- Magnetic coupling
- Integrated microphone
- Answer/end call button
- Multi-functional buttons for volume and track
- Included in the package: charging cable and two rubber tips with headband for use during sport

Double wireless magnetic earphones
