

Anti-vibration mobile phone holder for bike and motorbike

SKU: TEERIDEHOLDMETPRO

If you're looking for a 360° rotatable support that holds your smartphone securely without vibration, the mobile phone holder for bike and motorbike is ideal for you

MINIMISES VIBRATIONS

This **mobile phone holder for bikes and motorbikes** guarantees **optimal stability on the move**. On long journeys where you need to keep an eye on your smartphone, you can **comfortably view the display**. Following the GPS directions will be easy even on bumpy and not perfectly paved roads.

WELDING

The **aluminium** mobile phone holder keeps Apple, Samsung, Xiaomi, Huawei or other brands of smartphones firmly secured **on the handlebars**. The **soft rubber pads** inside the holder prevent the phone from being knocked or scratched. Even when riding on city cobblestones or a country road, **the device will not be damaged**.

360° ROTATABLE

The clamps are **easy to screw on and unscrew**, making the mobile phone holder easy to use in any situation. Depending on your needs, you can choose how to view the display thanks to the 360° swivel clamp.

MODERN AND MINIMAL DESIGN

The modern lines of this accessory are enhanced by the **aluminium finish**. The **small size** also allows you to easily store it in your bag or backpack to carry it with you at all times.

DISTINCTIVE FEATURES:

- minimises vibrations
- suitable for smartphones up to 6.7 inches
- made in aluminium
- 360° rotatable
- attaches to the handlebars of bicycles, motorbikes or scooters
- can be easily screwed in place around the smartphone
