

## Hard cover compatible with MagSafe charging with button covers and metal camera hole for iPhone 14/13

SKU: TEMAGTECHIP1461K

**This case has metal finishes and is hard, making it elegant and protective in equal measure. You can also recharge your mobile phone with the case on**

### A ROBUST AND ELEGANT COVER: WHY CHOOSE THE MAG TECH CASE

The **Mag Tech case** is a hard cover with elegant metal finishes that embellish it. It offers optimal protection for your **iPhone 14/13**.

It is **also compatible with charging technology MagSafe** : you can charge your mobile wirelessly without having to remove the cover.

### YOU CAN RECHARGE YOUR IPHONE EVEN WITH THE COVER ON

The Mag Tech Case cover is compatible with MagSafe. In fact, it has a **magnetic module** which enables chargers that use this wireless charging technology to be charged. **You won't have to take it off and put it back on** whenever you'll need to power your iPhone.

### RESISTANT AND REFINED: THIS COVER HAS TWO SOULS

The case is made of PC, making it **rigid** to better absorb shocks and resist scratches. The added value is the elegant and modern **metal finishes** that characterise the key covers and the camera hole. The entire cover surface has a **rubber finish** which ensures optimal grip: Mag Tech is a balanced mix between practicality and style.

### KEY FEATURES:

- Compatible with MagSafe charging
- Made of PC, it is rigid and resistant to bumps and scratches
- Metal trim for key covers and camera hole
- Rubber finish to ensure optimal grip
